

Dear Friends,

Arbor Heights Elementary is a Seattle Public School of approximately 400 students, grades K-5, located in West Seattle's Arbor Heights neighborhood. We are excited to announce our 3rd Annual...

Adventure is out there! Auction on Thursday, November 10, 2011

This year, we're gathering together to raise funds for PTA sponsored opportunities including replacing computers in our lab as well as improving our emergency response system. Funds will also help pay for field trip buses, kindergarten aides, playground supervision, books and teacher supplies and general beautification of our school.

Please join us in celebrating this great neighborhood school by donating to our auction. We will graciously accept items, services, gift certificates or cash donations. Let us know if you would like more information.

Thank you for your consideration!

Sincerely,
The 2011 Auction Committee

*Donations may be tax-deductible. Please check with your tax accountant (See information below). For further information please contact Auction Co-Chairs, Lonjina Verdugo at lonjina@comcast.net or Lucy Weber at lucyweb2@yahoo.com
